

## INVITATION TO THE ONLINE TRAINING SESSION ON DESIGN-BASED EDUCATION (DBE)

Dear Colleagues,

Within the framework of the Erasmus+ project “**Green Education in Higher Education in Asia**” (**GreenEdAsia**), funded by the Erasmus+ Programme of the European Union, we are pleased to invite you to join the online training session on the topic: **Design-Based Education (DBE)**.

Design-Based Education (DBE) is an advanced educational approach that integrates creative design thinking, practical experience, and problem-solving in real-world contexts such as enterprises and communities. This contemporary learning model has been widely implemented at Universities of Applied Sciences in Finland.

**Time:** 14:00 – 16:00, November 19, 2025 (Vietnam & Thailand time);

**Platform:** Zoom – <https://hamk.zoom.us/j/64124355868>

**Training contents include:**

- ✚ An overview of the DBE model;
- ✚ The role of lecturers in DBE - from instructors to facilitators of learning;
- ✚ The role of students in DBE - from active learners to co-designers of learning content and activities;
- ✚ The role of institutional management in supporting and implementing DBE within the university.

This training session is designed for all lecturers and educational administrators, whether or not they have previously experienced educational models in Finland.

We sincerely look forward to your participation and contribution!

Kind regards,
